Opinion

We have audited the accompanying financial statements of United Way of Hancock County, Inc. (a nonprofit organization), which comprise the statements of assets, liabilities, and net assets – modified cash basis as of December 31, 2021 and 2020, and the related statements of revenues, expenses, and changes in net assets – modified cash basis and functional expenses – modified cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of the United Way of Hancock County, Inc. as of December 31, 2021 and 2020, and its support, revenue and expense for the years then ended in accordance with the modified cash basis of accounting as described in Note 1.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way of Hancock County, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of Hancock County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Hancock County, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The United Way of Hancock County, Inc. is a community organization whose mission is to measurably improve lives in Hancock County. This is realized primarily by funding programs and services of nineteen partner youth, health and human care agencies, in Findlay and the surrounding communities, as well as community-minded initiatives. Revenues are received primarily from corporate and individual donors during the annual campaign.

Basis of Accounting

The Organization prepares its financial statements on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis, revenues are recorded when received rather than when earned and expenses are recognized when paid rather than when incurred. Consequently, the Organization has not recognized campaign revenue receivable, a beneficial interest in a perpetual trust, accounts payable to vendors or their related effects on the change in net assets in the accompanying financial statements.

Basis of Presentation

The financial statements are presented in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 958-205, Not-for-Profit Entities, Presentation of Financial Statements. The Organization adopted the provisions of Accounting Standards Update ("ASU") 2016-14: Not-for-Profit-Entities (Topic 958) Presentation of Financial Statements of Not-for-Profit Entities. Accordingly, the accounts of the Organization are reported in the following net asset categories:

Net Assets without Donor Restrictions

Net assets without donor restrictions represent available resources other than donor-restricted contributions. These resources may be expended at the discretion of the Board of Directors.

Net Assets with Donor Restrictions

Net assets with donor restrictions represent contributions that are restricted by the donor as to purpose or time of expenditure.

Office Furniture and Fixtures

Office furniture and fixtures are recorded at cost on items over \$1,000. Depreciation of office furniture and fixtures is provided on a straight-line basis over the estimated useful lives of the assets. Expenditures for maintenance and repairs are charged to costs and expensed as incurred.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Promises to Give

Contributions are recognized as revenue when the donor makes a payment to the Organization. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

The Organization uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on a 10-year rolling average that approximates 4% of total pledges and management's analysis of specific promises made.

The Organization also records an asset and a corresponding liability for any unconditional promises to give made for the future year campaign. They will also record a prepaid expense and payable for any expenses related to the future year campaign. This does not modify cash and does not have impact on the statement of revenues, expenses and changes in net assets. When recording these future year campaign amounts, they are reduced by the allowance for uncollectible promises. The amount of the future year receivable and corresponding liability that is related to the uncollectible amount is \$64,015 as of December 31, 2021.

Tax Exemption

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2). The Organization's Forms 990, Returns of Organization Exempt from Income Tax, for the years ending 2018, 2019, 2020 and 2021 are subject to examination by the IRS, generally for three years after they were filed.

Payments to Affiliate Organizations

Payments to affiliate organizations (United Way Worldwide and Ohio United Way) are set by those organizations at a predetermined percentage of campaign, and the payment is authorized by the United Way of Hancock County Board of Directors. For the years ended December 31, 2021 and 2020, payments were \$38,768 and \$41,417, respectively, made to these affiliate organizations.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities – modified cash basis and in the statements of functional expenses - modified cash basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Paycheck Protection Program

During the years ended December 31, 2021 and 2020 the Organization received proceeds under the Paycheck Protection Program "PPP" administered by a Small Business Administration (SBA) approved partner. Established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), the PPP provides for forgivable loans to qualifying organizations as long as the organization maintains its payroll levels and uses the proceeds for eligible purposes, including payroll, benefits, rent, and utilities, over a "covered period" (eight or 24 weeks, not to extend beyond December 31, 2021 and 2020). Up to 100% of a loan is forgivable. The forgiveness amount will be reduced if the organization terminates employees or reduces salaries during the covered period. Any unforgiven portion of a PPP loan is payable over two or five years at an interest rate of 1%, with a deferral of payments for 10 months after the end of the covered period. The Organization intends to use PPP loan proceeds for purposes consistent with the PPP and apply for forgiveness within 10 months of the end of the covered period. See Note 14.

The Organization expects to meet the PPP's eligibility criteria, and concludes that the PPP loan represents, in substance, a grant that is expected to be forgiven. Accordingly, the Organization has initially recorded the loan as a refundable advance and will record the forgiveness in accordance with guidance for conditional contributions when there is no longer a measurable performance or other barrier and a right to return of the PPP loan or when such conditions are explicitly waived.

The Organization has interpreted the conditions of the grant to be the incurrence of eligible expenditures, adjusted for any decrease in full time equivalents and or salary/wage limitations, during a covered period of either 8 or 24 weeks and the submission of the forgiveness application, at which time the Organization will recognize as grant revenue the amount expected to be forgiven per the application.

Notes to Financial Statements December 31, 2021 and 2020

NOTE 2 – CONCENTRATIONS OF CONTRIBUTIONS

During 2021 and 2020, the Organization received approximately 79% of its annual contributions from four corporations and their employees, located within Findlay and the surrounding communities.

NOTE 3 – NET ASSETS

NOTE 4 – INVESTMENTS AT COMMUNITY FOUNDATION

United Way of Hancock County Inc. is the beneficiary of the Margaret Foster Fund at the Findlay-Hancock County Community Foundation. As of December 31, 2021 and 2020, these funds amounted to \$4,449 and \$4,474, respectively, which is made up of funds contributed entirely by outside donors. A distribution is available to be received by the Organization at least annually. Neither the Organization nor the Community Foundation has variance power over the fund. This fund is not reported in the attached statements of assets, liabilities and net assets – modified cash basis because the Organization does not have any access to the principal of these funds.

NOTE 5 – TAX DEFERRED ANNUITY

Total Net Assets with Donor Restrictions

In 2020, the Organization contributed to a SEP IRA plan that each compensated employee must set up with their own broker. The Organization contributed 7% of each employee's salary towards the plan. The expense recognized by the Organization was \$18,698 for the year ended December 31, 2020. In 2021 the Organization changed to providing a simple IRA where the Organization matches up to 3% of an employees' contribution. The expense recognized by the Organization was \$6,821 for the year ended December 31, 2021.

NOTE 11 – FAIR VALUE MEASURMENTS

The following methods and assumptions were used by the Organization in estimating the fair value of its financial instruments:

Cash and cash equivalents – The carrying amount reported in the statements of assets, liabilities and net assets – modified cash basis approximates fair value because of the short maturity of those instruments.

NOTE 11 – FAIR VALUE MEASURMENTS (Continued)

Promises to give – These are recorded at net realizable value in the statements of assets, liabilities and net assets – modified cash basis, since they are expected to be received in one year or less.

NOTE 12 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

United Way of Hancock County has \$2,745,924 of financial assets available within one year of the statement of assets, liabilities and net assets – modified cash basis date to meet cash needs for general expenditures.

United Way of Hancock County, Inc. has a goal to maintain financial assets, which consist of cash on hand to meet 90 days of normal operating expenses, including money granted out, which on average was \$138,848 during 2021. United Way of Hancock County, Inc. has all of its funds in checking, savings, or treasury sweep accounts, so that it is accessible as needed. The Organization has recognized \$106,278 and \$106,200 as grant revenue for the years ended December 31, 2021 and 2020, respectively which represents 100% of the loan proceeds.
