United Way  
of Hancock County

## A Message from the CEO

- Our role in the coronavirus crisis is for assistance to partner agencies and non-profit organizations who provide direct services to individuals. We are soliciting donations and coordinating resources, including volunteers, to fill the gaps now and in the future.
- Highlights for 2019 is focus on being customer-centered and easy to do business with by focusing on communication and relationships with all stakeholders. A promise to fulfill our mission: Give, Advocate, and Volunteer. We made changes to our financial reporting to provide better clarity and a more process-based approach. Over 1100 volunteers assisted in the 2019 Days of Caring. This translates to over \$110,000 of capacity to our community. We are one of 12 organizations in the State of Ohio to be awarded a Skills Grant.
